Employment History

Chipotle Mexican Grill

Service Manager
Rosemont, Illinois
April 2016 – October 2018

Very hard working, with a goal oriented attitude at all times. Coordinates well working with others, and having to lead a team of 10-12 people to accomplish various tasks at the same time while running an establishment. Works exceptionally alone as good as he does with others. Office work is done fast, organized, and logged according to date and time. Works well with a time limit and works with a great sense of urgency.

Steiner Electric

Picker/Packer

Luis has learned about the company at an incredible rate. The amount of assurance and reassurance that the absolute best, fastest, and safest work is completed to help the client receive what they need. He has learned so much about the product, the ins and outs of the different products from picking pipe to the actual parts and pieces; both small and big orders, fast ground shipping, and next day delivery type requests. Luis has achieved to learn more about the company and grows to the furthest extent by any means necessary.

Black Star Catering/ Food Trucks

Sous Chef/ Catering Manager/
Event Coordinator/ Truck Service Logistics
Schaumburg, IL
January 2019 - Present

Luis has been in charge of coordinating various 15k dollar + weddings as well as tent services as private events. Has learned how to execute food truck services up to 9 thousand dollars in a swift and timely fashion. Apart from these, he has also coordinated a number of expos and galas for FMSC, and many local businesses. Having many skills in the kitchen also help the execution of the food go as planned as well. Can prepare in bulk and can manage the time well to have fresh and hot food ready for all events. He's very good with a knife and has an extensive palate. He can talk to people easily about anything and provides comfort in all conversations. He can be counted on for
