EVALUATIONS

1) "I was greeted by Kristina Ponomarenko at Cisco Live today (6-10-2015) as a representative of the CDW booth. I was very impressed by both her personable nature as well as her professionalism. She is truly a valuable person as a representative as the face of the company. Not only was she a pleasure to talk to, but she was very informative as well. I will sum up by saying this: I visited every single booth in the World of Solutions, and I took the time to write only a single email. This one. Reward the good ones."

Mark Jacob, Cisco Instructor, Interface Technical Training
3110 North Central Ave. Suite 160, Phoenix AZ 85012

2) "Kristina worked on our San Diego Comic-Con activation representing the large media and entertainment company, Starz. She was a great representative of the brand and was a pleasure to work with. She was hardworking and dedicated to the task at hand and gave 110% during the 5-day span at which she represented us. During her time with us she brought passion, excellent customer service skills, and a bright personality working with the clients, consumers, and other brand ambassadors. She would be a wonderful addition to any brand ambassador team, due to her knowledge and work ethic that she brought to the activation".

Nick Stoneburg, Pop2Life Project Coordinator

3) «От лица команды сборной России по теннису выражаю благодарность Кристине Пономаренко. Во время проведения специальной Олимпиады в ЛА Кристина была к нам добра, очень любезна и помогла сориентироваться в непривычной для нас обстановке. Она познакомила нас с местной культурой, дала общие рекомендации и помогала с переводом. Огромное ей спасибо за это!"

Илья Прокофьев

"On behalf of the Russian tennis team I would like to thank Kristina Ponomarenko. During the Special Olympics in LA Kristina was good to us, very kind and helped orient us in an unusual setting. She introduced us to the local culture, gave general advice and helped with the translation. A huge thank you to her for that!"

Ilya Prokofiev
