As a versatile media professional, I have excelled in various roles, from producing engaging TV content to hosting talk shows. My recent experience includes serving as a TV producer for "The Dr. Oz Show" (2019-2021) and contributing to "Mars TV." Additionally, I've honed my skills as a talk show host on KZMP-FM 104.9 in Dallas, TX. Now, I'm eager to leverage my expertise as a news anchor, delivering accurate and compelling stories to viewers.

Work Experience**Contributor**

Jackson Heights Post (2023-2024)

Delivered breaking news, investigative reports, and live updates to viewers.

Conducted in-depth research, fact-checking, and interviews.

Maintained composure under pressure during live broadcasts.

Collaborated with producers, reporters, and camera crews to deliver accurate and timely news.

TV Producer

The Dr. Oz Show (2019-2021)

Collaborated with production teams to create informative segments on health, wellness, and lifestyle.

Oversaw guest bookings, script development, and show logistics.

Ensured seamless execution of live and pre-recorded episodes.

Contributed to the show's success and audience engagement.

Writer

The D Magazine (Dallas TX 2021-2023)

Produced captivating content for healthcare documentaries, plastic surgery and the real housewives of Dallas reality shows, and specials.

Managed budgets, schedules, and creative aspects of production.

Producer

Mars TV (2018-2023)

Produced captivating content across genres, including documentaries, reality shows, and specials.

Managed budgets, schedules, and creative aspects of production.

Fostered strong relationships with talent, crew, and network executives.

Delivered high-quality programming that resonated with viewers.

Talk Show Host

KZMP-FM 104.9 (2015-2023)

Hosted an engaging talk show, connecting with listeners on topics ranging from local news to pop culture.

Conducted interviews with notable guests, including experts, celebrities, and community leaders.

Created a dynamic on-air presence, keeping audiences informed and entertained.

Leveraged social media to enhance listener interaction.
