PROJECTS

➤ Delaware International Airport — School Project

For Aviation Capacity and Planning at MTSU, we were asked to design a new airport and I fully designed a new airport for Sussex, Delaware. [AERO 4170 Capstone](#)

➤ Anchorage, Alaska Flight School — School Project

For Aviation Contracts and Leases at MTSU, we were asked to design an add-on to an existing airport and I fully designed the first flight school for the Ted Stevens International Airport. [Business Plan](#)
