

# Christina Saldaña

Professional Brand Ambassador

## ABOUT

I moved back to the Houston area in 2017, since then I had been working for Pasadena ISD as a Special Needs Bus Monitor. I have done numerous side jobs, mainly working as a BA. I love the engagement and the challenge of sales and try to have as much fun with the customers as possible. Just recently I have decided to go full time with the BA jobs and look forward to working with many more brands.
